OUR VISION & MISSION

OUR VISION

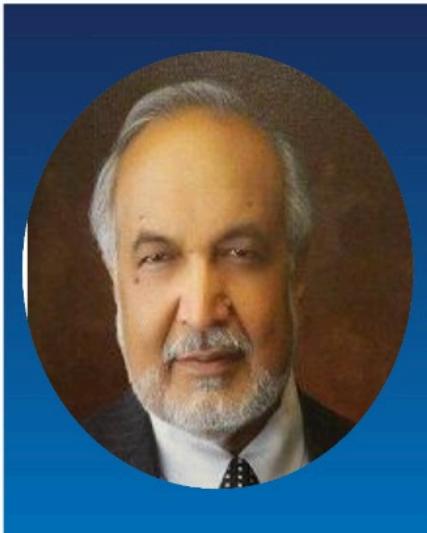

Is to be a global leader in higher education. We strive to create an inclusive and innovative learning environment that nurtures intellectual curiosity, fosters critical thinking, and cultivates a passion for lifelong learning. Through interdisciplinary approaches, we aim to produce graduates equipped with the knowledge, skills, and ethical values needed to address 21st century complex challenges.

OUR MISSION

Tahseen Ahmad Cheema Institute is to empower students to excel in health sciences, management sciences, and computer science through a transformative, research-driven, and globally relevant educational experience. We are committed to fostering a dynamic and inclusive learning environment that promotes academic excellence, critical thinking, innovation, and ethical integrity. Through active engagement in community service and cutting-edge research, we aim to develop responsible leaders who contribute meaningfully to society, both locally and globally.

MESSAGE FROM CHAIRMAN AND FOUNDER

یہی ہے سرکلیمی ہر اک زمانے میں
ہوائی دشت و شعیب و شبانی شب و روز

PROF. DR. TAHSEEN AHMAD CHEEMA

Chairman & Founder TACI, Bahawalpur

Tahseen Ahmad Cheema Institute, Bahawalpur (TACI) is a pragmatic, enterprising, and forward-looking center of learning in Pakistan. Renowned for its modern infrastructure and commitment to teaching excellence, TACI provides an environment where education empowers individuals by helping them recognize their potential and grow with purpose

We believe that true education not only imparts knowledge but also instills values, nurtures leadership, and equips individuals for sustainable development and meaningful success. At TACI, our vision is to prepare youth with the knowledge, skills, and ethical foundation necessary to compete confidently and responsibly on both national and international platforms.

I extend my best wishes to all those joining the Tahseen Ahmad Cheema Institute, Bahawalpur, as they embark on a journey toward a distinguished career dedicated to serving the nation and

MESSAGE FROM EXECUTIVE DIRECTOR

"Without education it is complete darkness and with education it is light. Education is the matter of life"

DR. BAQIR NADEEM HASHMI

Executive Director TACI, Bahawalpur

The Pakistani and global research scenario is progressing at a very fast pace. To remain and meet the competitive challenging environment, the demand of skilled professionals is increased, who can face the new challenges. Our vision of creating thinking professionals, we continue to aim for excellence in producing the professionals who are in accordance with the dire need in Pakistan and globally.

Tahseen Ahmad Cheema Institute, Bahawalpur is committed to the ethics of excellence. With a shift from routine education to the concept of human capital formation, it aims at the rebirth of latent potentialities of the youth of the country, so that their skills can be enhanced and they can be transformed into properly educated and trained workforce capable of contributing to and strengthening of the national economy of the country.

Embrace higher education as your compass to success, navigating a dynamic world. It's more than a degree, it is personal growth, knowledge, and impactful contributions. Join us at The Tahseen Ahmed Cheema Institute, where potential thrives. Invest in yourself for a brighter collective future. Your journey begins here.

I am sure that with the support of visionary management, qualified and research-oriented faculty members, and students we will achieve our goals.

COLLEGE OF PHARMACY

Message of Principal

There are several ways for serving the Humanity amongst them to serve in the health sector is the best way to serve the community. For fulfilling this noble cause, Tahseen Ahmad Cheema Institute, Bahawalpur (TACI) will produce the individuals who will serve the community by their best knowledge and training. TACI is a progressive institute in its mission, vision and core values. Nurturing students into responsible citizens with their all-round educational development is the goal of the institute. TACI takes every necessary action to train teaching, non-teaching and students as well as we believe that, without the training of human resource it is not possible to meet national and global benchmarks. We believe success

depends both on academic excellence and strength of character. Hence, we endeavour to mobilize and stimulate our students to build their character according to the progressive and dynamic principles of Islam. We project that these trained and enthusiastic students will be equipped to bring better promise of tomorrow in pharmaceutical industry as well

I welcome you to visit the Tahseen Ahmad Cheema Institute, Bahawalpur and see for yourself the difference that this great Institution is making in the life of students who come from all across Pakistan.

COLLEGE OF NURSING

Message of Principal

It is my pleasure to extend a warm welcome to all who have chosen to explore the vibrant world of nursing at our esteemed institution. As the Principal of the Nursing Department, I am honored to lead a community of dedicated professionals who are committed to excellence in nursing education, research, and practice.

Nursing is both an art and a science, requiring compassion, critical thinking, and continuous learning. Our nursing program is designed to provide students with a comprehensive education that prepares them to meet the ever-evolving challenges of healthcare with confidence and competence.

Our faculty members are experts in their fields, and they are deeply committed to mentoring and supporting our students throughout their educational journey. In addition to rigorous academic coursework, students have access to hands-on clinical experiences that allow them to apply their knowledge in real-world settings.

We are dedicated to preparing nurses who are not only skilled clinicians but also compassionate caregivers who advocate for the health and well-being of all patients.

Whether you are a prospective student, a current student, or a visitor to our website, I encourage you to explore all that our nursing department has to offer. I am confident that you will find a supportive community and a wealth of opportunities for personal and professional growth.

Thank you for considering our nursing program, and please do not hesitate to reach out if you have any questions or if there is anything we can do to assist you on your journey.

Scope & Job Prospects

Nursing offers wide career opportunities in hospitals, clinics, community health, and specialized units. Graduates can advance into teaching, research, or leadership roles. With global demand rising, it's a secure, high-growth profession with strong local and international prospects.

INTRODUCTION

Nursing is a respected and evolving profession focused on caring for individuals, families, and communities. It combines science, skill, and compassion to promote health, prevent illness, and support patients across all stages of life.

Nurses are essential members of the healthcare team, delivering critical care and emotional support in hospitals, clinics, and community settings. Modern nursing education prepares students with the knowledge, hands-on training, and ethical grounding needed for today's healthcare challenges. A career in nursing offers diverse opportunities and the chance to make a lasting impact. At our college, we are committed to shaping competent, compassionate nurses ready to lead with integrity and excellence.

DEPARTMENT OF COMPUTER SCIENCE

Head of the Department Message

It gives me great pleasure to welcome you to the Department of Computer Science at Tahseen Ahmad Cheema Institute, Bahawalpur (TACI). In this era of rapid technological advancement, the role of computer science is more critical than ever. Our department is committed to equipping students with the knowledge, skills, and ethical grounding required to excel in this dynamic field.

We offer a range of forward-looking undergraduate programs, including BS in Computer Science, Artificial Intelligence —each designed to meet the evolving needs of the digital world. Currently affiliated with The Islamia University of Bahawalpur (IUB), we are also actively pursuing affiliation with COMSATS University Islamabad, further expanding our academic horizons and quality benchmarks.

Our vision is not only to produce technically sound graduates but also to nurture creative thinkers, problem-solvers, and responsible digital citizens who can contribute meaningfully at both national and global levels.

Whether you dream of becoming a software engineer, data scientist, AI specialist, or cybersecurity expert, we are here to guide and support you every step of the way.

Welcome to a journey of innovation, discovery, and excellence!

INTRODUCTION

The Bachelor of Business Administration (BBA) program at TACI is a competency-based degree aimed at preparing future-ready business professionals. It combines a strong theoretical foundation with practical learning through case studies, business simulations, and entrepreneurship labs. This comprehensive approach equips students with the skills, knowledge, and confidence to succeed in today's competitive business world and excel as effective managers, entrepreneurs, and socially responsible leaders.

Scope & Job Prospects:

Graduates of Management Science have broad career opportunities in business, banking, consulting, marketing, supply chain, and public administration. They can work as analysts, managers, planners, or entrepreneurs. With strong demand for strategic decision-makers, this degree also serves as a solid foundation for MBA, MPhil, or other advanced studies, both in Pakistan and abroad.

DEPARTMENT OF ENGLISH

Head of the Department Message

Welcome to the BS English program at TACI Language is the bridge to understanding culture, identity, and thought. Our department is committed to nurturing students with critical thinking, strong communication skills, and a deep appreciation of literature and linguistics.

With a dedicated faculty and a dynamic curriculum, we aim to prepare our graduates for diverse careers in education, media, research, and beyond. Join us in exploring the richness of the English language and unlocking your academic and professional potential.

INTRODUCTION

This four-year undergraduate program comprises 135 credit hours and is carefully structured to provide in-depth knowledge in the fields of English language, literature, and linguistics. It promotes critical engagement with a diverse array of literary and non-literary texts, helping students to become familiar with different traditions of English writing and speaking.

A strong focus is placed on developing both spoken and written English skills to enhance students' career readiness across various professions.

As an interdisciplinary program, it allows learners to bridge their understanding of English with concepts from the social sciences, including philosophy, psychology, sociology, and globalization studies.

Scope & Job Prospects

The scope of English is broad, offering careers in education, media, writing, communication, and public service. Proficiency in English boosts critical thinking and global communication, opening doors to roles like teaching, journalism, content creation, and civil services. It also supports success in higher education and competitive exams.

COLLEGE OF PHYSICAL THERAPY (DPT)

College of Physical Therapy is state of the art institute of physical therapy in southern Punjab offering Doctor of physical therapy (DPT) 5 year Degree program. It is accredited by ISLAMIA UNIVERSITY OF BAHAWALPUR a highly ranked university by Higher Education Commission of Pakistan (HEC) and college of physical therapy is clinically attached with a well reputed institution/Hospital like National Orthopedic & General Hospital Bahawalpur. The college of physical therapy has well qualified faculty, a dedicated physical therapy and Rehabilitation Center, excellent anatomy museum, well equipped labs of basic medical sciences and kinesiology & biomechanic
